

YOUR **iDEAL** CROSS BORDER CARRIER

WE TAKE THE LOAD OFF OUR CUSTOMERS ON A DAILY BASIS

We are a highly flexible carrier and have experienced steady growth through our high customer service approach. With a focus on continued growth, Ideal is opening an additional facility in California to enhance our strength of Truckload service between Toronto, Montreal, Chicago, California and key Cross Border lanes like:

- California
- Texas
- Tennessee
- North Carolina
- South Carolina
- Ohio
- Illinois
- Kentucky
- Iowa

We ship a wide range of product, from dry goods to perishable commodities and from industrial product to high value electronics. Our tight-knit team has a great understanding of our clients' shipping patterns and specialized requirements. These include but are not limited to:

- After-hours trailer pickups and drops
- Appointment deliveries
- Temperature controlled requirements

FULLY EQUIPPED, FULLY COMPLIANT

We only operate within secure & bonded facilities, utilizing a well maintained, SmartWay® approved fleet. For complete coverage, we supplement our own fleet with approved partner carrier resources throughout Canada and the USA. Whether the best solution is through the utilization of a partner asset or ours, all shipments are transported in bond by carriers who are compliant with all homeland security programs and Customs requirements. We pride ourselves on ensuring “no hassle” border crossings for our clients.
