

## YOUR **IDEAL** CARRIER FOR SHIPMENT SECURITY

### WHEN YOU THINK IDEAL LOGISTICS, THINK SAFE AND SECURE

At Ideal Logistics, our priority is the safe and secure transporting of your goods. Our equipment is constantly updated, rigorously maintained and operated by well-trained professionals. When you place your freight under the care of Ideal, you can trust that your shipment will be handled properly and transported safely.

Whether you're shipping pharmaceuticals, electronics or pulp and paper, you can rest assured knowing that your freight is in the right hands with Ideal Logistics. We continue to invest in technology to provide our customers with total visibility and complete security.

### SECURITY FEATURES INCLUDE:

- 24/7 live streaming security cameras throughout our facility
- Gated access requiring sign in to enter and exit the premises
- Licence scan required from all drivers arriving and departing facility
- Pin locks on all trailers
- Sensors on all doors (tractors, trailers and throughout facility) alerting of any tampering
- GPS tracking
- Remote monitoring and email notifications
- Geo fencing of sensitive or high-value shipments
